

MoU INKED BETWEEN UMP & PERBADANAN PENGURUSAN SISA PEPEJAL DAN PEMBERSIHAN AWAM (PPSPPA)

BY: LAILI ZULKEPELI

Kuantan, Nov 11- Universiti Malaysia Pahang (UMP) signed a memorandum of understanding (MoU) with Perbadanan Pengurusan Sisa Pepejal dan Pembersihan Awam (PPSPPA) to conduct a study on ways to make solid waste management more effective.

UMP was represented by Vice Chancellor Prof. Dato' Dr. Daing Nasir Ibrahim and Deputy Vice Chancellor (Research and Innovation) Prof. Dr. Mashitah Md. Yusoff. PPSPPA was represented by Datuk Ab. Rahim Md. Noor (Director) and Datuk Md. NorAfandi Abd. Aziz (PPSPPA Pahang).

A database on the composition and types of solid waste would be carried out. Data would be collected from surveys conducted at homes, industrial sites and commercial centres.

From the findings, the types of solid waste would be divided into six categories to facilitate information input for the database.

The database will serve as a reference and use to set targets when method and technology in managing solid waste are put into practice. ■
